

# **FISCAL NOTE**

## **SB 2585**

January 17, 2008

**SUMMARY OF BILL:** Changes the meaning of “in this state” for the purpose of committing a Class E felony for operating a motor vehicle while a judgment or order of the court prohibits such operation due to a previous violation of the Motor Vehicle Habitual Offenders Act.

### **ESTIMATED FISCAL IMPACT:**

**Increase State Expenditures – Not Significant**

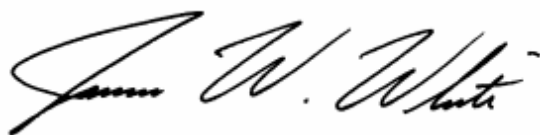

**Increase Local Gov’t. Expenditures – Not Significant**

Assumptions:

- Removes the language “in this state” and replaces it with “within the entire width between the boundary lines of every way publicly maintained which is open to the use of the public for vehicular travel, or the premises of any shopping center, manufactured housing complex or apartment house complex or any other premises frequented by the public at large” as it pertains to any person operating a motor vehicle while prohibited from doing so due to violation of the Motor Vehicle Habitual Offenders Act.
- The increase of expenditures for state and local governments is estimated to be not significant because the method of law enforcement is expected to remain unchanged.
